Prayer Guide

BY ALLIANCE DEFENDING FREEDOM

Pray that **Planned Parenthood ceases to promote sexual promiscuity to children to create customers**

- That Planned Parenthood's sex education would be rejected by educators, parents and young people
- That our country would value purity, and that our tax dollars would not be used to fuel Planned Parenthood's business model
- That young people would turn against Planned Parenthood for its attempt to exploit them

Pray that **Planned Parenthood would be exposed for any fraud, waste or abuse of taxpayer dollars**

- That government officials who oppose the funding of Planned Parenthood would be strong, strategic and influential, and would win the support of many others in government
- That the employees of Planned Parenthood would have their eyes opened, that they would escape from the abortion industry, and that they would come forward with evidence of wrongdoing
- That the attorneys who litigate cases against Planned Parenthood would have great wisdom, and that the judges who decide these cases would be unable to overlook the mounting evidence, and would decide to bring the full measure of the law against this organization

Pray that **Planned Parenthood would stop promoting abortion and enforcing abortion quotas to drive funding**

- That Planned Parenthood's gruesome approach to assembly line abortions would be exposed and commonly known in the nation
- That Planned Parenthood would cease to be the nation's loudest advocate for abortion, and that it would stop using taxpayer money to support its abortion business
- That Planned Parenthood's disregard for life would bring great shame on it by the nation, that it would be driven out of the abortion industry, and that lives would be saved

Pray that **Planned Parenthood would no longer be able to put women at risk with their poor health standards**

- That the women who have been harmed by Planned Parenthood would come forward and bring successful lawsuits against the organization
- That states would raise safety standards for abortion facilities, and that Planned Parenthood abortion centers would be shut down because abortion is no longer lucrative
- That the media would turn against Planned Parenthood and expose the horrors of the abortion industry
